## 1 User manual availability

---

Unfortunately, the specific user manual for the K-REACH-OR-Trustee system is not yet available.

As all essential program functions are identical to the EU REACH-OR-Trustee system, we would therefore ask you to consult the manual of the REACH-OR-Trustee system until a separate K-REACH version is available.

You can find the EU version here: [https://eu.or-trustee.com/content/Manuals/REACH-OR-Trustee\\_User\\_manual.pdf](https://eu.or-trustee.com/content/Manuals/REACH-OR-Trustee_User_manual.pdf)

Alternatively you can download it via the link in the footer area of the EU REACH-OR-Trustee system portal: <https://eu.or-trustee.com>

If you have any further questions, please contact Chemservice at the following email address: [kr-ort@chemservice-group.com](mailto:kr-ort@chemservice-group.com)
